

Masking tape

paper masking tape

Masking tape used in industry, building and car body shops applications.

Saturated semi-crepe paper pressure sensitive adhesive tape, ivory or yellow, designed for masking applications

Properties:

- High conformability
- Compatible with solvent and water paint
- Easy tear
- Good mechanical strength
- Instant adhesion, sticks to a wide range of surfaces
- Solvent and thinner resistant
- Temperature use range of 80°C

Benefits:

- Easy application on curved profiles and irregular surfaces
- Clean and precise removal
- Practical use without waste
- No cleaning activities after usey

Article no.	Type/Width	Length
59561	18 mm	
59562	24 mm	
59563	30 mm	50 m
59564	36 mm	
59565	48 mm	

Backing: Saturated semi-crepe paper
59 g/2 (108 µm)

Color: Ivory or yellow

Adhesive: Cross linked natural rubber

Total thickness: 135 µm

Adhesion to steel: 270 g/cm

Tensile strength: 4 kg/cm

Elongation at
break: 9%

Temperature use
range: 80°C for 30 minutes

Storage
recommendation: Store the tape preferably horizontally, under normal conditions of 15±30 °C and 50% R.H., in the original carton and in a dry place.
